Curve

Curve

Curve is a rug collection developed by renowned Australian designer Chris Connell. Organic and free flowing, Curve moves you through a space.

— Designed by Chris Connell, Melbourne, 2018

Materials and Characteristics

A composition of hand tufted, 100% pure yak wool lends an unmatched softness and resilient nature to the range, for a complete finesse of materiality. Available in a variety of colour dualities carefully selected and paired by Chris Connell. The option of either one or two colours (A, B) is available.

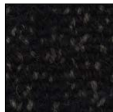

Shape Options

Curve is available in two contemporary shapes – wide and narrow. These shapes are characterised by their free-flowing and organic lines.
